## That \$60 Bonus

"All we do is sign the payroll, and we never get a— but this time we get a real life-size pay check from Uncle Sam and no payroll to sign either."

"I just got my li'l old \$60 check yesterday. And since this is Dress-Up Week (April 12 to 20), I decided to invest the money in a brand new outfit of civies."

"Say, I'm all togged out now with a Spring suit made by that old reliable concern

## THE HOUSE OF KUPPENHEIMER

"It's one of those new waist-seam models—you know, you've heard of them. With the balance of the sixty I got a new pair of 'kicks,' a couple of good-looking shirts, and a 'doggy' necktie."

"I called on the little girl last night—can't tell all the nice little things she said—that's a secret—but I decided right there that I couldn't have invested that \$60 any better."

"P.S. Take a tip from me, if you haven't bought your Spring dress-up outfit, it'll pay you to look over the new Kuppenheimer Clothes at—"

## THE IDLEHOUR

So many good things are in store for Idlehour patrons during the next week or two, it is hard to decide which to tell you about. For instance, on Friday of this week, with Ethel Clayton in "The Mystery Girl," will be shown a three-reel comedy, "My Valet," featuring Mabel Normand, who delighted hundreds on Wednesday night in "Sis Hopkins," and the famous stage comedian, Raymond Hitchcock. This comedy was shown at the Idlehour over two years ago, and has been re-issued because it is so good.

On Sunday "The Border Legion," a six-reel Goldwyn Special is offered, featuring Hobart Bosworth and Blanche Bates. This is a story of the Mexican border, and for those who like fast, gripping action, production on a big scale, and magnificent photography and scenic effects, this will prove a real treat.

On Monday Wallace Reid will hold the screen in "The Man from Funeral Range," giving Wally a chance to show what he can do in a "western" character. And, believe me, he gets away with it in a way you will enjoy.

Wednesday brings Louis Bannison in his third and best Goldwyn picture, "Speedy Meade." Bannison has the happy faculty of combining fast, snappy western action with lots of clean, clever comedy, and the "Bannison Smile" is rapidly becoming known all over the country. We recommend this picture.

On Thursday Fred Stone presents his great circus picture "Under the Top." Fred Stone began his career under the "big top" many years ago, and for the last fifteen years has been one of the biggest stars of the American stage. You will certainly enjoy him in "Under the Top."

Also on Thursday and Friday will be shown "Fatty" Arbuckle's latest and funniest comedy, "Love." Naturally, some Arbuckle comedies are better than others. They could not all be the very best. However, we are willing to go on record that we have seen "Love" twice, and consider it the best comedy "Fatty" ever made. Maybe you will not agree with us that it is the best, but it is certain you will agree that it's a ripper. It is a guaranteed yarn for the blues, and from the opening scene to the very end, it is just one long laugh.

Just a word about future attractions at this theatre. On Saturday, April 13th, will be shown "The Greatest Thing in Life," a seven-reel Arcturion Special, personally directed by D. W. Griffith, the greatest master of the film industry. D. W. Griffith is the man who produced "The Birth of a Nation," "Intolerance," "Hearts of the World," "The Great Love," and one or two other great masterpieces. He makes only four pictures a year, and it will be well for you to plan ahead to see "The Greatest Thing in Life."

On the following day, Sunday, Maurice Tourneur's big spectacular special, "Sporting Life," will be offered for your approval. While it is an entirely different type of picture from the one mentioned above, it is an equally great picture, and has been a tremendous success in every city in the country.

It will be well to bear these two pictures in mind.—adv.

## UNCEASING MISERY

Some Alma Kidney Sufferers Get Little Rest or Comfort.

There is little sleep, little rest, little peace for many a sufferer from kidney trouble. Life is one continual round of pain. You can't rest at night when there's kidney backache. You suffer twinges and "stabs" of pain, annoying urinary disorders, lameness and nervousness. You can't be comfortable at work with darting pains and blinding dizzy spells. Neglect these ailments and serious troubles may follow. Begin using Doan's Kidney Pills at the first sign of disorder. Thousands have testified to their merit. Alma readers will find convincing proof of merit in the following testimony:

Mrs. George Wingett, St. John St., Ithaca, Mich., says: "I was bothered by backache and a pain across my kidneys. Sometimes the attacks were so bad, I couldn't lie still at night. Doan's Kidney Pills were recommended to me and I used them. They soon stopped the pains."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wingett had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.
